

Unity among the UW-Madison Latina/o Communities: A Dialogue with Jimmy Santiago Baca

As a poet, novelist, playwright and activist of Indio-Mexican descent, Jimmy Santiago Baca has devoted much of his life to exploring the themes of injustice, education, community, love, addiction, and the American Southwest barrio that are so deeply rooted in his background.

We've asked Jimmy to lead a dialogue among Latina/o Student organization leaders and members on the theme of unity on campus.

Please join us for what is sure to be a stimulating discussion about the importance of uniting our efforts on campus to build our political strength!
